We intend to have lots of fun this year with our fabulous entertainment staff consisting of *Roger Smith* and *John Flora* and we hope that you will choose to visit us some time!

By the time you read this note, 40 or so Rockin' Jokers will have raised havoc at Winter Fest in King City. We always have a terrific Friday night After Party at the Days Inn. I hope you joined us!

Lots of RJs are planning to attend the California State convention in San Diego and, chances are, there will be a party there, too.

If you are looking for something fun to do on a Wednesday evening, please join us at the Cambrian Park United Methodist Church. We usually dance seven or eight squares, Roger does a workshop starting at 7:00 and then we dance until 9:45.
