

ARLENE SCALLON

After retiring from teaching seventh grade English and art for 30 years, Arlene began round dancing with her partner, Jim Gray.

Cueing is a relatively new hobby for Arlene. She began cueing for the Rockin' Jokers in 2020. She was privileged to be asked to cue for two conventions during the summer of 2021; the National Square and Round Dance Convention in Jackson, Mississippi and the International Choreographed Ballroom Dance Association (ICBDA) in Kingsport, Tennessee.

She is a member of the Northern California Round Dance Teachers Association (RoundaLab) and of the Santa Clara Valley Square Dancers Association which meets every other month to share ideas on calling and promoting square and round dancing around the San Francisco Bay Area.
